**Change the World: Fellowship and stewardship at Heritage Hill**

On Saturday, April 24 Suamico United Methodist Church along with the other Green Bay Circuit Churches, rolled up their sleeves and pitched in to spruce up Heritage Hill. From painting & staining, to washing floors, gardening and cleaning out the barn-there was something for everyone to do. We worked side-by-side, young and old, from 9-11:30.

Let me tell you, the fellowship of new friends and many hands, (the fact that the rain held off was an added bonus) made for light, easy and fun "work". At 11:30 we all headed to Town Hall for a delicious potluck lunch (SUMC booyah was a big hit) where we gathered under one roof swapping stories of what projects we had been a part of. It was a wonderful morning enjoyed by everyone-and a great way for the Green Bay Circuit Churches to live God's word into our community. Hopefully Heritage Hill will invite us back again next year!
